

# Best Rains in Years Soak Area and Fill Lakes

ANOTHER IN THE SERIES of Mystery Farm Pictures being run by The Herald is shown above. First person, other than the owner and his family, to correctly identify the view will be given a one-year subscription to Your Home Town Paper. In order to give readers of the paper living on the rural routes an equal chance at the identifying, no answers will be accepted before 1:00 p. m. Friday, either in person or telephoning to the paper office. The original aerial picture will be presented to the owner by The Herald.

## Cotton Floated From Gin Lot and Roads Damaged

Flood conditions prevailed in several regions of the Hamlin section as a result of the big rains that came Saturday night and Sunday, with damage estimated in thousands of dollars to highways, bridges, gin property, farm homes and outbuildings, and some loss in chickens and other livestock.

Worst hit in the immediate area was the Farmers Cooperative Gin at Neinda, six miles south of Hamlin. Besides some nominal damage to scales and the gin house, about 60 bales of cotton were floated off the gin yard early Sunday morning by high water that was swirling east toward the Hamlin South Lake. All the cotton had been recovered Tuesday morning, a number of bales being taken from the lake itself by boat and a mule team.

Several homes in the Neinda section were given minor water damage, and small chicken coops and equipment around the farm homes were floated away.

Water running across the farm-to-market highway from Hamlin through Neinda to Boyd Chapel was damaged in several spots where embankments were badly washed.

Most of the bridges between Hamlin and Anson on Highway 83 suffered some damage. They were in the process of being widened. The contractor lost a good many forms for the concrete in the high water, however, most of them were recovered downstream.

Several major bridges to the south, west and northwest of Hamlin were taken out by high water. Traffic on Highway 83 north of town near the Double Mountain Fork of the Brazos River was halted Sunday morning for a while by high water. Bridge across the river was lapped for several hours Sunday, but it stood firm. Water level reached 27 feet Monday at noon, the highest in memory of old-timers.

A family marooned in their home just south of the river near the Aspermont highway was evacuated from the mound on which their home stood Monday about noon.

## Wildcat Spotted Five Miles Southeast City

Location for a new Jones County wildcat southeast of Hamlin has spotlighted activity on the oil front of the area for the past several days.

Hack Drilling Company et al of Abilene has staked a wildcat on the Dorothy Isbill place, five miles southeast of Hamlin. Location is 330 feet from the south and west lines of the north half of Section 6, League 338, Austin & Williams Survey. Proposed depth is 5,300 feet with rotary equipment.

Wouldn't it be wonderful if someone invented a lawn that sheds once a week.

SHIVERS RECEIVES INDIAN GIFTS—Governor Allan Shivers (right) receives a picture of India's Prime Minister Nehru being presented a scarf with the map of Texas imprinted on it and a copy of a letter written by Nehru to the Indian Student Association at the University of Texas. Making the presentation at the capitol in Austin are Shamsingh Singh Bath (left) and S. Srinivasan.

## Benefits of Rain More Than Offset Damage in Region

Too late to do much good to the maturing crops of the section, the long-looked-for drenching rains came to the region and a wide expanse of West Texas drought-hurt region Saturday and Sunday.

Typical of many recent showers, the officially recorded rain at Hamlin was lighter than areas all around the city. Official reading at the government rain gauge at the Hamlin city pump station was 2.51 inches for the two-day period.

Fall north and west of town in the immediate section ranged up to three and one-half inches. Rains in the Neinda section, six miles south of town, totaled four inches, while just south of that region the fall recorded up to seven inches of rain. East and northeast of Hamlin the fall was measured up to three inches.

Declared to be the best general rain since 1949, most of the fall was good, soaking the moisture-hungry ground "to the core," a lot of surplus water went on rampages, filling tanks, the city lakes and flooding highways, a gin and a few homes in the Neinda area.

Hamlin's south Lake, source of municipal water before Paint Creek Lake was built two years ago for Stamford and Hamlin, was o'clock, and water poured over the spillway until Tuesday about noon. It was the first time since October 15, 1948, water had gone over the spillway. The other two city lakes, west of town, caught almost full.

Benefits received from the big rains over the area will more than offset any damage to the cotton crop and feed, declared farmers and others connected with farming interests.

Much of the cotton in the area still has not opened, and the rains will help much of the green bolls to develop further. What cotton was open was damaged some in low areas. While cotton grades will be hurt some by the rains and high water, they will do a lot more good than harm, it is felt.

Ranges in the section were needing rain badly, and they will get good growth before going into winter's cold spell.

Head grains will develop a lot more after the rains, declare the maize, hegarl and kaffir corn growers.

Small grain that was up well thrive with the "drink," and the unplanted wheat and oat land will, of course, greatly benefit from the stored moisture.

## Two-Day Chest X-Ray Slated To Attract Hundreds of Folks

### Mobile Unit to Be At Hamlin Motor Rooms Next Week

Free mass chest x-ray program for people of the Hamlin region will be conducted next Thursday and Friday at the Hamlin Motor Company showroom, and indications are that there will be a big response to the project, according to Mrs. E. M. Wilson, chairman of the Jones County Tuberculosis Association, under whose sponsorship the x-rays are being made.

Committees for the various portions of the campaign have been named, including clerical and other assistants.

The two-day test of chests will be conducted in cooperation with the State Department of Health and a mobile unit. The tests require only a few seconds and are free of all costs, it is pointed out. The tests will be made Thursday afternoon from 1:00 to 6:00 o'clock, and all day Friday, from 9:00 a. m. till 6:00 p. m.

Assistants for the tests have been named and assigned as follows: Thursday afternoon 1:00 to 3:30 o'clock—Mrs. A. A. Hackley, hostess; and Mrs. Noel Weaver, Mrs. Fred Vaughan, Mrs. Wilson Brannon and Mrs. Ned Moore, clerks. Thursday afternoon, 3:30 to 6:00 p. m.—

See CHEST X-RAYS—Page 7

### Rev. Egger Attends Methodist Board Meet

Rev. Darris Egger, pastor of the First Methodist Church, attended the convocation of boards and commissions of the North-west Texas Conference of the Methodist Church at Lubbock.

Bishop W. C. Martin called the two-day conference for September 27 and 28. He spoke at a mass rally Tuesday evening.

Rev. Egger is secretary of the Town and Country Commission.

### New Gas Ranges Put In School FHA Rooms

Five new gas ranges have been installed in the homemaking department of Hamlin High School, and one in the DePriest Colored School, it is announced by school officials this week.

The stoves are replaced each year by the Lone Star Gas Company without cost to the schools.

"We appreciate this service," declared Superintendent Foster Cook this week, "and above all we do appreciate the courtesy of Jake Lawson, local manager of the gas concern."

LEADING in a revival meeting beginning Sunday morning at the Assembly of God Church in South Hamlin will be Rev. Paul Joyner (above) of Austin. Rev. Joyner is a former pastor of the local church. Services will be conducted each evening, and will continue for two weeks, according to Rev. W. G. Miller, pastor.

### Rev. Paul Joyner to Lead Revival Meeting At Assembly of God

A two-week series of revival services will begin Sunday morning at the Assembly of God Church in South Hamlin, according to the pastor, Rev. W. G. Miller, who, with his congregation invite the public to attend the meeting.

Doing the preaching will be Rev. Paul Joyner of Austin, who is a former pastor of the local congregation. He is an outstanding Bible scholar, and a leading evangelist of the denomination in Texas.

Services will be conducted each evening beginning at 7:30 o'clock, it is announced.

### Big Reserve of Water Now in South Lake

With filling of the Hamlin South Lake Sunday, the city of Hamlin will start taking water from the reservoir this week-end, according to City Water Superintendent Bill Rountree.

Before the week-end rains the lake held only about 80,000,000 gallons, and water had not been used from the lake for weeks. The gauge Monday read at 900,000,000 gallons, which would be some two years supply.

### RITCHEYS HAVE GUESTS.

Dr. and Mrs. G. W. Ritchey of Itasca were guests last week for several days of Mr. and Mrs. R. C. Ritchey in Hamlin. Dr. Ritchey is a brother of the local man.

### Three-Year-old Lad Killed Thursday as Auto Overturns

James Thomas Tabb, three-year-old son of Mr. and Mrs. Monroe E. Tabb of Hamlin, was instantly killed yesterday (Thursday) morning about 11:00 o'clock in a car upset eight miles west of Stamford.

The lad's mother, Mrs. Monroe Tabb, 20, and another son, Robert Glenn, one year old, were injured in the accident. They were in the Stamford Hospital, where their injuries were declared not serious at noon Thursday.

Deputy Sheriff Raymond Spahrberry of Anson investigated the accident. He said the Tabb car was traveling east toward Stamford on a dirt road which had been badly cut with ruts during the week-end's rains. Apparently the car turned over as Mrs. Tabb endeavored to maneuver it along the deep ruts. It rolled completely over, the older boy sustaining head injuries that caused his death.

Mrs. Tabb walked about half a mile to a farm house, carrying the two boys, where she summoned help. A Kinney Funeral Home ambulance carried the three to Stamford.

Funeral arrangements had not been made when The Herald went to press.

Friendship, business, democracy and hash have a common dependency on a man's faith in his fellow men.

TUMBLEWEED MOUNTAIN—Weary farmers in West Texas were busy getting rid of masses of tumbleweeds that buried yards and blocked gates and doors. At the R. H. Fenton farm (above) workers toss the weeds into a waiting truck to haul them away.

## Scores Sign Up for Working at Factory

Fairly good response to the appeal for signed applications for possible workers in a garment factory project for Hamlin came after last week's issue of The Herald announced possibility of securing a plant for the city, according to a check-up made Thursday by J. E. Patterson, president of the Hamlin Chamber of Commerce.

### Hamlin Negro Taken In Raid on Oasis Grill

Eddie Reed, proprietor of the Oasis Grill in the colored section of East Hamlin, was arrested Saturday night on a liquor violation charge in a raid conducted by a member of the Liquor Control Board, Sheriff Dave Reeves, Police Chief Buddy Watson and Night Watchman Jess Miller.

Taken in the raid were 24 quarts of beer, six pints of wine and a pint of gin.

Reed was in the Jones County jail Tuesday awaiting trial in county court.

### Week-End Rains Bring Total for Year to 18.28

Rainfall Saturday and Sunday was registered by the government rain gauge at the city pump station at 2.51 inches. With the fall of 43 of an inch on September 11, the month's fall measured 2.94 inches.

This brought the year's total precipitation to 18.28 inches, which is about normal for this area according to City Water Superintendent Bill Rountree, keeper of the gauge.

## New Superintendent of Schools Urges Teamwork Between Patrons and Faculty

Teamwork between the school patrons and leaders will cure the ills of the school system, declared Foster Cook, superintendent of Hamlin schools this week, as he urged cooperation. He is completing his first month of service in the system.

He made the following statement to The Herald this week:

The first month of school has come to a close. This has been a most enjoyable stay thus far, and very profitable.

The principals, teachers and students have been very courteous and have done everything possible to make my position a happy one.

I am enjoying day by day the fine school system you people in Hamlin have been privileged to be a part of for several years. The organization of the different departments and personnel is very good. This gives the community many services that others do not have.

I have gotten acquainted with the teachers and have availed myself with their qualifications and find that we are very fortunate in that they are highly trained in their respective positions. This always adds to the efficiency and quality of instruction.

Equipment of all the schools has been improved in the last few

years, and we plan to complete the program next year. We need playground equipment for our lower grades. We are going to make a study of our needs in the near future and try to supply them this year and complete when our budget will afford this expenditure. I think this improvement is a must because the small

See COOPERATION—Page 7

Two new citizens are reported at Hamlin Memorial Hospital since last week's report in The Herald. Both boys, they are:

A boy for Mr. and Mrs. Eddie Springer of Aspermont, who was born September 17 at 11:30 a. m. Weighing seven pounds two ounces, the young man has been named Michael Tucker.

A boy for Mr. and Mrs. Charles White of Hamlin arrived September 21 at 11:23 a. m. After having his weight checked at six pounds 14 ounces, he accepted the name Douglas Leroy.

## WHAT CAN BE DONE TO EVEN UP COTTON PLAN?

Most of the cotton producing area—in acreage, we mean—has had a tremendous struggle during the past five years in order to survive, to say nothing of making a profit in order to get ahead, pay out a farm and have some of the luxuries of life. And here is where the controls imposed by the government on acreages hurt so much and work hardships on a territory like the Hamlin region.

To illustrate our point: This section of the country ordinarily is not a heavy producer of cotton, but it is definitely adapted to the growing of that product, and we feel should be "turned loose" as far as acreages are concerned. Because of perennial droughts that preclude the raising of many other crops, curtailed acreages here for cotton seem to us to be unfair, in comparison with those of other regions, particularly the irrigated sections of the country.

To be sure, the cotton controls are proper measures to avoid excess production of cotton, and the same rules apply for grains, tobacco and other commodities. But, we believe there are other means of equalizing the controls on cotton.

Here is our reasoning, which we believe would solve the cotton problem and not work

hardships on farmers of other regions: Work out acreage controls on cotton with the adaptability of the crop in mind; in other words, here in this region raise acreages in order to permit the cotton grower to have a chance to make some money; and at the same time almost prohibit the growing of cotton in the big irrigated sections of the Pecos and Rio Grande Valleys and the irrigated sections of Plainview and Hereford in Texas, other irrigated regions of New Mexico and Arizona. Those latter regions could make money raising a thousand and one other varieties of crops with irrigation, whereas not many other crops are adapted to this droughty region.

Several lobbyists from the big cotton producing areas that are getting rich raising irrigated cotton are constantly on the job in Washington to protect the acreages that are through one means or another being increased for those sections. We do not propose lobbyists for this region, but we do urge sound reasoning and belief in fair play be exercised by our Congressmen.

Using the golden rule to establish acreage controls for this cotton raising section is our only hope of making cotton pay in this section. Ample acreage must be utilized to get sizeable returns at lowered costs.

## Oil Changed Way of Life

It seems that nowadays almost every organization and cause has a "week" of its own. Right now it's Oil Progress Week, which runs from October 9 through 15. This seems an appropriate time for us to recall the revolution which petroleum brought into our lives. The word "progress" is well used. America's competitive oil businesses—there are more than 42,000 of them—are even now changing our way of life. The American petroleum industry, which produces about half the world's oil, not only is basic to our national economy and defense, but has introduced us to a host of products which have enriched our standard of living.

Our homes are gas-heated, our cars are petroleum-powered, and we feel the benefits of petroleum on our farms and in countless large and small pursuits of our daily lives. Take the summer we just struggled through: It may have been hot, but was a lot more pleasant for many of us than it might have been, thanks to the new synthetic fibers developed through petrochemistry. From cosmetics to sausage-skins, literally thousands of our every-day products are petroleum-based. The industry's scientists say they can develop 500,000 compounds from petroleum, and they hope to boost that total to 1,000,000 in the foreseeable future. Plastics, insecticides, synthetic rubber—a seemingly endless list of magic compounds—have contributed to our health, well-being and comfort.

Only a highly competitive, progressive and free industry can produce such wonders—or even have the incentive to do so. The tremendous contributions that America's oil has made our civilization during less than a century of the industry's existence are stirring testimony to the vitality and vision characteristic of a free people.

## Great Things Are Simple

The three greatest masterpieces in literature, according to one authority, are the Lord's Prayer, the Twenty-Third Psalm, and Lincoln's Gettysburg Address.

Incidentally, recall their wording: "Our Father, who art in heaven, hallowed be Thy name," "The Lord is my Shepherd," "Four-score and seven years ago"—not a three-syllable word in them, scarcely any two-syllable words.

Many of the great things in life are one-syllable words—love, joy, home, child, wife, trust, faith, God. All great things are the simple things.

## Grab-Bag Tactics

A House committee has voted in favor of extensive and costly revisions of the social security law, on an immediate basis. It ignored recommendations by Secretary Hobby and others that the proposals should be given thorough study along with full public hearings.

No matter how one feels about broadening the base of social security and increasing benefits, it is difficult to see how hasty action can be justified. To vote major legislation on a hurry-up basis is to invite all kinds of problems and dangers. The only sound procedure is to take whatever time is needed to study the proposals, let all points of view be heard and considered, weigh the pros and cons, and then vote.

It is reported that there is strong sentiment in the Senate for doing just that. May it prevail—in the interests of the taxpayers and of the social security beneficiaries now and of the future.

Now that a compulsory social security system, upon which millions of citizens are utterly dependent, has become an established part of our lives, it would be nothing less than criminal to alter it except in a spirit of the highest statesmanship. The integrity of social security is synonymous with the integrity of our money.

## Editorial of the Week

### THE POSTAL DEFICIT

Since 1932 the income of the American people has tripled. The wholesale price level has increased 162 per cent, and the cost of running the Post Office Department has doubled.

Yet the postage on a letter remains the same; third class mail rates have increased only 38 per cent; and charges for carrying newspapers and magazines have gone up only three per cent.

Postmaster General Summerfield has cited these figures to show why his department cannot get out of the red unless Congress votes to increase postage rates.

The postal deficit for the current fiscal year probably will run to \$325,000,000, in addition to the \$200,000,000 cost of the salary increases Congress voted. This is better than the \$727,000,000 deficit in the last full year in the Truman administration, but there is no excuse for any deficit.

The postal service should pay its own way, without any subsidy from the taxpayers.—The Fort Worth Press.

## RECALLING Other Years

★ Being news items taken from old files of Your Home Town Newspaper The Herald

### TWENTY YEARS AGO.

Happenings in the Hamlin community 20 years ago included the following, reproduced from the issue of The Hamlin Herald dated September 27, 1935:

A hot campaign is being waged by officers, who are being backed up by the grand jury, on the marble machines that have been in operation in Jones County in violation of the law.

Mrs. and Mrs. F. N. Hassen have returned to Ranger to make their home.

Hamlin's Pied Pipers won their first football game of the season last Friday with a 20 to 0 victory over the Sweetwater B crew. Featured on the Hamlin team were J. E. McCoy, Harold Johnson, Doc Neal, George Ewing, Warren Agnew and D. W. Carlton.

Ruby Dean, Ruby White and Ruby Thompson were hostesses at a shower Wednesday night for Mrs. Tom Vaughan, recent bride.

Mmes. G. R. Bennett, Turner Bynum, H. A. Longino, D. O. Sauls, Clinton Barrow and J. E. Moody attended a zone meeting of the Woman's Missionary Society of the Methodist Church at McCaulley Thursday.

E. Earl Ishill, special government agent for Jones County, reports that 127 bales of cotton had been ginned in the county prior to September 16, compared to 8,997 at the same time last year.

### TEN YEARS AGO.

Among news items of interest in the Hamlin community 10 years ago were the following, reprinted from the issue of The Hamlin Herald dated September 26, 1945:

Announcement is being made of the September 13 marriage of LaVerne Johnson, daughter of Mr. and Mrs. R. S. Johnson, to Seaman Thomas Edward Branscum. The wedding took place at the Calvary Baptist Church.

Paul Muni and Marguerite Chapman are featured at the Ferguson Theater in "Counter Attack."

Rev. B. J. Martin has resigned the pastorate of the First Baptist Church to accept a similar post at Ballinger.

Mrs. Leon Thurman left last Thursday for El Paso to join her husband, who recently has been named manager of the AAA office at that border city.

Mr. and Mrs. Henry Caldwell of Lockney were here Wednesday to visit with Mr. and Mrs. Ike Dixon.

The Hamlin Pied Pipers and the Aspermont Hornets played to a scoreless tie in a football game last Friday night.

Word to their parents in Hamlin indicates that Cecil and Mack Sellers, dry landers who turned sailors when their country called, are still riding the high Pacific.

### FIVE YEARS AGO.

Goings-on in the Hamlin community five years ago included the following, which are reproduced from the issue of The Hamlin Herald dated September 29, 1950:

Batch of 8,500 fingerlings of bass and channel cat were added to the Moore West Lake this week, according to F. E. Cauble, lake keeper.

Hamlin's Pied Pipers found the necessary scoring punch Friday night to down the strong Anson Tigers by an 18 to 13 score.

H. Callaway Wendell Jr., former Hamlin boy, son of Mr. and Mrs. H. C. Wendell, was killed when he was electrocuted while repairing a big electric pump near Stockton, California, last week.

Lieutenant Garrett A. White, son of Mr. and Mrs. Lewis C. Yates of Hamlin, has been awarded the Air Medal for heroism in North Korea.

Mrs. W. H. Bradberry of Sweetwater died Sunday morning from a rattlesnake bite sustained last week-end while visiting her daughter, Mrs. Henry Tarter, at Sylvestor.

### ONE YEAR AGO.

News items of interest in the Hamlin community a year ago included the following, which are reprinted from the issue of The Hamlin Herald dated October 1, 1954:

Condition of Linda Kay Watson, 11-year-old daughter of Mr. and Mrs. E. R. Watson, who is suffering with polio at Hendrick Memorial Hospital at Abilene, is reported much improved this week.

Fire losses in Hamlin for the year 1954 so far are running much less than for the previous year, according to T. W. (Mickey) McGuire, city fire marshal.

Jack Prince of Stamford is this week making arrangements to open The Cake Box in the Willard Jones building, formerly occupied by Herd's Bakery.

### DESTROY COTTON STALKS.

Get the cotton and then shred and plow under cotton stalks and field trash. Early stalk destruction is not only one of the best insect control practices but a good farming practice as well.

There are approximately 5,000 honey bees to the pound.

### TO KEEP LAWNS.

Lawns will remain green longer in the fall and grow off earlier in the spring if given an application of a complete fertilizer at least 30 days before frost.

The "eat like a bird" would mean to eat one's own weight in food every day.

A woman has reached middle age when her shoes pinch her more than the men do.

Ever wonder why after dinner speakers are usually men? Women can't wait that long.

## Baptist Churches of County to Conduct Schools of Missions and Stewardship

Twenty-nine Baptist Churches in Jones County plan to participate next week in the schools of missions and stewardship, sponsored by the Baptist Training Union, October 2 through 6. Mrs. W. T. Gambill of Stamford is director of the schools.

Churches of Jones County will be joining 1,800 other Southern Baptist Churches in Texas in a mammoth program. During the week of study and discussion one night will be set aside for a church and denominational program with the local pastors in charge.

The week's activities will include the study of mission books for all ages, beginners through adults, and a different guest speaker at each church each evening. These speakers will include home missionaries, foreign missionaries, denominational leaders and stewardship speakers. The programs will also include films and other visual presentations.

Rev. W. M. McHugh, pastor of the North Central Avenue Baptist Church in Hamlin, is group captain of the churches of this part of the county, and churches will share the same speakers. Mrs. J. E. Bounds of Stamford is the other group captain.

Churches over which Rev. McHugh is group captain for the two Hamlin churches, Central Avenue and First Church, and Anson, Bethel, Fairview, Hawley, Prairie Grove, Truby and Hebron.

## James McGough New Baptist Men's Leader

New officers for the ensuing church year were named when members of the Men's Brotherhood of the First Baptist Church met Tuesday night in their monthly business and program session.

Elected were: James McGough, president; Henry Albritton, program vice president; Ted Voss, activities vice president; B. B. Reid, membership vice president; Harold Eades, secretary-treasurer. Rev. Miles B. Hays of Leuders was speaker for the evening's program. The program followed a covered dish dinner.

Honey bees are sold by the pound.

## McCAULLEY NEWS

Mary Ellen Alexander, Correspondent.

Fred Alexander of McCauley received word Sunday morning that his brother, Osburn Alexander, passed away at his home at Rising Star after an illness of 12 years. He was 58 years of age. He lived most of his life in Eastland County, and had been a member of the Church of Christ since early childhood. Funeral services were conducted in the Higginbotham Funeral Home funeral chapel. The body was taken near San Angelo for burial. He is survived by his wife, Selma Alexander; a daughter, Corene Alexander of Dallas; a son, Preston Alexander of Lackland Air Force Base at San Antonio; two sisters, Mrs. Lillie Gunnels of Okra and Mrs. Henrietta Pattie of Seminole; four brothers, Brice Alexander of Roby, Luther Alexander of Cisco, Fred Alexander of McCauley and Lewis Alexander of Odessa.

F. B. Houghton received word this week from his daughter, Mrs. Rob Robinson of Kansas, that she is improving after having surgery on September 20.

A punt return by Julius Decker was the key to McCauley's victory last Thursday night over the Ira Bulldogs to the tune of 18 to 13. The Eagles led the Bulldogs by a 12 to 0 score until the fourth quarter, when the Ira boys went to the air the last four minutes of the game for two touchdowns. David Milner recovered a fumble and went for a touchdown for the final score for McCauley.

Julius Decker was seriously injured late in the fourth quarter of last Thursday's game against the Ira crew. Don Alexander had sustained a knee injury in the third quarter. Only three starters remained in the game the last three minutes.

McCauley will meet Divide this Thursday night at Roby. The probable starting line-up, according to Coach Yarbrough will be: David Hennington, wingback; Neal Woods and George Davis, ends; Buddy Williams, center; and Don Alexander, fullback.

## Santa Fe Carloadings Still Run Above 1954

Santa Fe Railway System carloadings for the week ending September 24, 1955, were 22,632 compared with 24,329 for the same week in 1954. Cars received from connections totaled 13,285 compared with 11,812 for the same week in 1954.

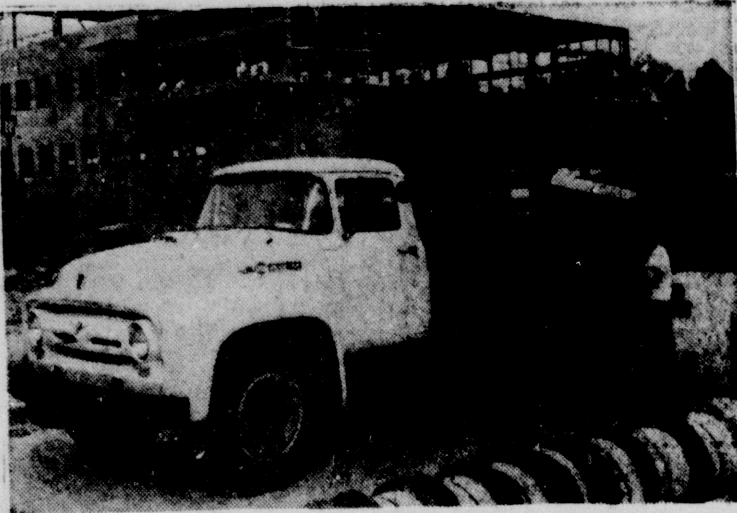

Total cars moved were 37,929 compared with 36,141 for the same week in 1954. Santa Fe handled a total of 36,973 cars in the preceding week of this year.

**MORE POWER IN FORD LINE**—Ford's 1956 F-750 big job is a heavy duty truck with a gross vehicle weight of 21,000 pounds. High performance is obtained with a special heavy duty 168-horsepower Y-8 engine equipped with a four-barrel carburetor. It is one of the most powerful engines in this weight class. Five different wheelbases and power steering are available on this model. A hood air-scoop aids engine performance. Official model introduction date is September 23 at Hamlin Motor Company.

## Plans for Boy Scout Fund Drives to Be Made at Meeting

Plans for annual fund drives for the Boy Scout movement in the northern district of the Chisholm Trail Council are being shaped, according to R. L. McClung, local finance chairman.

The northern district of the council will hold its finance training meeting Monday evening at 7:15 at the Stamford First Methodist Church. The council campaign committee will be the instructors, according to Ray Davis of Stamford, district executive. The evening's training will include: The job of the prospect chairman, arrangements chairman, solicitation chairman and majors; initial gifts chairman, adult chairman, publicity chairman and community director.

The campaign involves 12 cities in Shackelford, Jones and Haskell Counties. Each community chairman and his campaign committee and majors are to attend.

R. L. McClung has been recruited by the Hamlin Scout finance steering committee to be the community Boy Scout drive chairman.

He has appointed as his campaign committee: Curtis Dodd, Willard Jones, Holly Toler, Harold Bonner, Earl Smith, W. T. Johnson, J. C. Turner and Donald Williams. Williams is co-chairman.

## Final Rites for Dub Burgess Held In Hamlin Sunday

Final rites for John William (Dub) Burgess were conducted Sunday afternoon at the First Baptist Church. A native of Hamlin, the 43-year-old wholesale and retail oil dealer, died last Friday after an illness of about three weeks. He had been in the Hamlin Memorial Hospital for two weeks.

Officiating at the funeral services was Rev. Houston Walker, pastor of the church. He was assisted by Rev. Donald Wellman, pastor of the Church of the Nazarene; and Rev. Darris L. Egger, pastor of the First Methodist Church.

Burial was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Ira Clements, Clarence Hyer, Jack Smith, John D. Ferguson, Hershell Phillips, O. C. Freeman, Robert Harwell and Willie Fancher.

Burgess had operated the Burgess Oil Company for several years, handling Cosden products wholesale and retail. He was a member of the First Baptist Church and the Masonic Lodge in Hamlin.

Survivors include his wife; two half brothers, Tom Taylor of Hamlin and Sid Taylor of Santa Paula, California.

Out-of-town relatives and friends attend the final rites from Amarillo, O'Donnell, Breckenridge, Winters, Spur, Abilene and Hermleigh.

Get paper clips at The Herald.

## Quarterly Dividend Declared by Celotex

Directors of the Celotex Corporation this week declared a quarterly dividend of 50 cents a share on the company's common stock for the quarter ending October 31, 1955, and a regular dividend of 25 cents a share on preferred stock for the same period. Both dividends are payable October 31 to stockholders of record at the close of business October 7, 1955.

The dividends were paid from earnings of the company, including those of the Hamlin plant of the Celotex concern.

## Sunday School Attendance Crusade by First Methodists to Get Going Sunday

Sunday, October 2, marks the beginning of a Sunday School attendance crusade in the First Methodist Church, according to Rev. Darris Egger, pastor.

The attendance crusade will be modeled after the Farrow budget campaign, but instead of soliciting pledges, the teams will solicit attendance in Sunday School. An average attendance of 230 will be set as the goal for the months of October, November and December.

The commission of education with L. H. McBride as chairman, set up the educational and visitation campaign, to continue three weeks. Laymen will speak in the Sunday School and morning worship service each Sunday.

A friendly attendance contest between the Hamlin and Rotan Methodist Sunday Schools will run concurrently with the crusade for three months. The losing Sunday School will be host to the winner for a program of refreshment and worship. Rev. Alvis Cooley is pastor of the Rotan church.

Richard Young Jr. is chairman of the steering committee for the crusade. L. H. McBride, W. T. Johnson and Darris Egger are assisting him.

Carl Murrell is in charge of

Division 1, and Mrs. E. M. Wilson is leading Division 2 in the visitation of prospective new members, which will climax the crusade.

Mrs. Ed Bailey is chairman of the food committee, assisted by Mrs. Albert Chandler and Mrs. J. M. Beale. A kick-off dinner will be held in October, the exact date for which will be announced later.

Mrs. George Poe is chairman of the prospect committee. Wesley Nail, Mrs. C. S. Barrow, Mrs. L. C. Bonds and Fred Smith are other members.

Mrs. Alford Harden is chairman of the office help committee composed of Mrs. W. L. Hunter Jr., Jean Powell and Mrs. W. H. Parker.

Jim Herridge and Ed Gardner are in charge of the scoreboard. Mrs. Weldon Griggs is chairman of the signs and poster committee composed of C. C. Bailey and Holly Tolier.

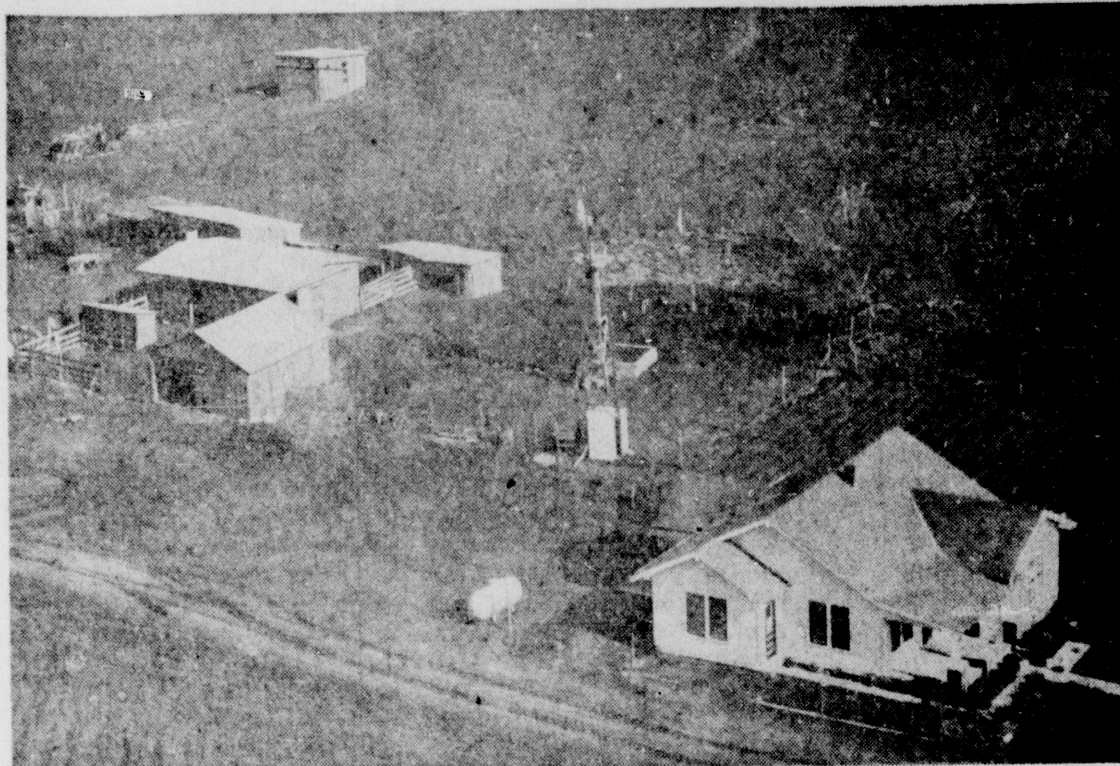

Mrs. M. L. Smith is chairman of the telephone committee composed of Mrs. L. W. Shivers and Mrs. Weldon Carlton.

Mrs. Brad Rowland Sr. is chairman of the church bulletins. She will be assisted by Mrs. Joe B. Stephens, Mrs. A. A. Hackley and Mrs. Bert Fomby.

Speakers' committee has Mrs. Holly Holer as chairman, assisted by Haskell Carter and Mrs. Carl Murrell.

Slogan committee is headed by Mrs. Darris Egger and composed of Mrs. Richard Young and Carolyn McClenny.

Publicity committee has Mrs. Brad Rowland Jr. as chairman and is composed of Mrs. Jerry Waggoner and Mrs. Joe Culbertson.

LAST WEEK'S MYSTERY FARM PICTURE (above) was first correctly identified by Mrs. Novel Baize of Tuxedo as the farm home of Mrs. Elsie Bostick, eight miles northeast of Hamlin. Originally part of the Swenson Land & Cattle Company spread in that area, the 162½-acre place was purchased by Mrs. Bostick's father, A. Amerson, in 1904, who later deeded the place to his daughter and husband. Its acres are devoted to the raising of cotton and feed. The farm land is leased out, but Mrs. Bostick still lives on the place.

## CHEST X-RAYS

(concluded from page one)

6:00 o'clock—Mrs. Joe Culbertson, hostess; and Mrs. W. S. Seals, Mrs. Byron O. Bell, Mrs. Clyde Grace and Mrs. L. H. McBride, clerks.

Friday morning, 9:00 to 12:30 o'clock—Mrs. Alford Harden, hostess; Mrs. James D. Josey, Mrs. B. F. Ford, Mrs. Kenneth Parker and Mrs. C. R. Lovell, clerks.

Friday afternoon, 12:30 to 3:30 o'clock—Mrs. R. T. Spaulding, hostess; Mrs. Clarence Hyer, Mrs. Paul Goodgame, Mrs. L. B. Gage and Mrs. John Brown Sr., clerks.

Friday afternoon, 3:30 to 6:00 o'clock—Mrs. Vera Jayroe, hostess; Mrs. Garland Preston, Mrs.

Elmer Feagan, Mrs. Ed Bailey and Mrs. W. H. Parker, clerks.

The phoning committees are members of the Beta Sigma Phi, with Mrs. Gerald Young as director; the Fifty-Two Study Club, with Mrs. E. J. Hawkins as director; and the Business and Professional Women's Club, with Mrs. A. A. Hackley as director.

Superintendent of Schools Foster Cook is cooperating in the campaign by allowing students 15 years old and over to have their x-rays made during school hours.

"Tuberculosis is still rated as the No. 1 killer of infectious diseases," declares Mrs. Wilson, "and these x-rays not only show up

tuberculosis but heart ailments and lung cancer. We are fortunate to have this free chest x-ray program in the three cities of Jones County."

## Dr. Gordon Bennett Speaks to Methodists

Family night was conducted Wednesday evening at the First Methodist Church, with the young adult Sunday School Class in charge of the evening's activities. Dr. Gordon Bennett, former Hamlin resident, was the speaker. He is vice president of McMurry College at Abilene.

## Mrs. Novel Baize First to Identify Mystery Picture

Mrs. Novel Baize of Tuxedo was the first to correctly identify last week's mystery farm picture printed in The Herald, and will be recipient of a year's subscription to Your Home Town Paper.

She identified the aerial view as that of the farm home of Mrs. Elsie Bostick, eight miles northeast of Hamlin. A landmark in that part of the county, the place was originally part of the Swenson Land & Cattle Company holdings.

Purchased by Mrs. Bostick's father, A. Amerson, in 1904, it was put under the plow by Amerson later that year after being utilized for pasture before that time. The 162½ acres of land was deeded to Mrs. Bostick by Amerson in 1919 following the marriage of Bostick to the former Elsie Amerson in 1919.

## COOPERATION

(concluded from page one)

children need to learn to play together under supervision.

I will be pleased if the people of this fine community will visit your school more, and especially do I want each of you to visit my office in the high school. I will be very happy to discuss problems of our school and community with you. I also want the parents to be acquainted with your child's teacher. The only

Mrs. Bostick continues to live on the place following the death of a number of years ago of her husband. She has two sons, Harold Bostick of Tulsa and James Bostick of Johnson, Kansas. She has leased the land.

Most of the farm's acreage is devoted to cotton culture, some combine maize also being grown.

The present home was erected in 1919. Previous to that time a two-room house was originally built, to which four rooms were later added.

way we can better our school in the future is to work together plan together and have a common understanding.

A community should never have a conflict in its schools. Let our problems be known and let work to cure our ills. It is my desire to serve the people's children of the Hamlin schools and to help this fine community grow and prosper in all phases of the better things of life.

## \$1,500 Damage Done To Williams House

Fire of undetermined origin at 8:20 o'clock Sunday night partially destroyed the Glen Williams frame house on Northwest Avenue D, north of the Katy railway. The house was unoccupied. Firemen answering the alarm kept the damage to an estimated \$2,000.

## "Hot Flashes Stopped" or strikingly relieved

in 63-80% of cases in doctors' tests

If you're miserable from the "hot flashes," and accompanying irritability, restlessness, feelings of "change of life"—you may be suffering unnecessarily! For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing, nervous, "out of sorts" feelings of mid-life "change!" So... get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron! (Wonderful, too, for the functional pains of menstrual periods.)

It acts through a woman's sympathetic nervous system to relieve distress of those awful "hot waves!"

## Norma Jo Murff Becomes Bride of Gerry L. Bowman in Saturday Rituals

Norma Jo Murff, daughter of Mr. and Mrs. Joe O. Murff of Hamlin, became the bride Saturday evening of Gerry L. Bowman, son of Mr. and Mrs. Leon C. Bowman of Lubbock in simple church rites at the First Methodist Church.

Rev. Darris L. Egger, pastor of the church, read the double ring ceremony before an altar decorated with blue tapers in candelabra, white gladiolas tied with blue ribbons, palms and greenery sprinkled with silver. A white prayer bench was in the center of the altar. Organist for the rituals was Mrs. Brad Rowland Sr., who also accompanied Walter Chalcraft of Abilene, former Hamlin High School band director, as he sang "Because."

"Until" and "The Lord's Prayer."

Laverne Meeks of Abilene was maid-of-honor, and Woody Mann

of Abilene was best man to the groom. Candle-lighters were Bob and Gene Murff, brothers of the bride. Bill Murff, brother of the bride, Carl Young and Lee Bowden, both of Abilene, were ushers.

The bride's father presented the bride in marriage. She wore a gown fashioned of white satin and lace, made princess style with deep scalloped lace yoke. Enriching the neckline were seed pearls. The ballerina length skirt had pleated lace inserts and was worn over tulle. The bride carried a white Bible topped with gardenias and frenched carnations. Her rhinestone necklace was a gift from the bridegroom.

Dress of the maid-of-honor was of ice blue crystalene made with rounded neckline and worn with a small bolero, and her waltz length skirt was gathered for fullness. She wore blue mitts and a bandeau of ice blue velvet with tiny blue flowers. Blue and white chrysanthemums made up her colonial bouquet, which carried streamers of blue.

Mrs. Bowman is a graduate of Hamlin High School, and attended Gail Business College at Abilene. She is employed in the bookkeeping department at the Thornton store in Abilene.

Young Bowman was graduated from Lubbock High School and Hardin-Simmons University at Abilene. He is employed with the First State Bank in Lubbock.

For a wedding trip to Lubbock, the bride wore a two-piece charcoal and fawn suit trimmed with braid. Her accessories were fawn colored, and she wore a corsage from her bridal bouquet.

The newlyweds are at home at 1233 Highland Avenue in Abilene.

Yearbooks for the new year were distributed. After prayer was given by Mrs. Leon Moore, new members were welcomed into the class.

Mrs. Edgar Duncan was presented a gift of appreciation as the outgoing class teacher.

Angel food cake and coffee were served to the following members and guests: Mmes. S. C. Ferguson Jr., John Edwards, Buck Joiner, J. F. Bishop, Ed Lewis, Kenneth Riddle, Jess Parrish, Truman Nix, Clyde Lewis, Hugh Prince, George Batchelor, D. J. Turner Jr., Bud Trotter, Dale Lain, Bill Shira, J. O. Murphree, Edgar Duncan, Leon Moore and L. E. Prewitt.

After the program, directed by Mrs. Earl Smith, the club nominated Suzanne Rowland as volunteer girl and will enter her picture in the national Valentine Queen contest judged yearly by the national club magazine Torch.

Next meeting of the sorority will be in the home of Mrs. Arlie Cassle on October 11.

Reception Given in Stephens Home After Murff-Bowman Rites

After the Murff-Bowman wedding Saturday evening, a reception for attendants at the rites was held in the home of Mr. and Mrs. Joe B. Stephens.

Mrs. Parker Kelley registered the guests. Serving the cake and punch were Mr. and Mrs. Leon Bowman, Ann Holt, Faith Simpson, Laverne Meeks and Mrs. Mrs. Clarence Hyer.

Covering the serving table was a hand crocheted cloth over blue satin. The wedding cake, circled by blue flowers, centered the table. In other room decorations in the Stephens home white gladiolas were employed.

Guests attended from Lubbock, Abilene, Roby, Rotan, Waco, Midland, Stamford and Anson.

## Xi Gamma Pi Group Initiates New Member At Thursday Session

A new member, Mrs. Perry Sparks, was welcomed into the group when members of the Xi Gamma Pi chapter of Beta Sigma Phi met last Thursday in the home of Mrs. James O. Ballard for a regular meeting.

The sorority group discussed good-will projects for the coming Thanksgiving-Christmas season during its business session.

The program, entitled "Art in the Home," was presented by Mrs. C. Weldon Griggs. She discussed color schemes and how they may be used in decorating a home.

Other members present were Mmes. M. L. Smith, Cliff Reynolds Jr., John C. Bryant, E. D. Perrin, Austin Poe, Jerry Waggoner, Weldon Carlton and E. J. Hawkins.

## Hobo Party Monday Features Meeting of Beta Theta Chapter

A hobo party was featured as members of the Beta Theta chapter of Beta Sigma Phi met in the home of Mrs. C. Weldon Griggs Monday evening for their annual rush party.

Rushes present for the hand-out were Mmes. Truman Nix, J. P. Dika, Billy Jo Wilson, Wilson Brannon, Dess Parrish, Jim Herridge and L. C. Bond. Mrs. Jess Parrish won a bandana-tied prize for her hobo appearance.

Hoboes served beans, barbecue, salad, rolls and pie, in addition to the rushes, were: Mmes. H. L. Mehaffey, W. F. Martin, Arlie Cassle, Earl Smith, Garland Preston, Austin Poe, Brad Rowland, Gerald Young and C. Weldon Griggs.

## FHA Group Attends Area Session Saturday

Three representatives of the Hamlin Parent-Teacher Association were among the scores who attended the convention of the new 18th District P-TA last week at Haskell. The new district embraces 14 area counties.

The new district is a combination of the 13th, 14th and 16th P-TA districts.

Counties now included in the 18th District are Taylor, Jones, Haskell, Knox, Foard, Hardeman, Cottle, Motley, Dickens, Kent, King, Fisher, Scurry and Stone-wall.

Mrs. R. W. Herren of Haskell was elected president of the new unit. Mrs. Starr Inzer of Hamlin was named historian; and Mrs. Weldon Johnson of Hamlin was elected pre-school chairman.

Three attendants from Hamlin at the conference were Mmes. Starr Inzer, Ned Moore and J. C. Turner Jr.

It is true that women make a dollar go farther. They will drive clear across town to spend it.

THE FORMER NORMA JO MURFF (above) and her new husband, Gerry Bowman, are making their home in Abilene following their Saturday evening wedding at the First Methodist Church in Hamlin.

## Faculty Introduced at First P-TA Meeting Of Year Thursday

First meeting of the Hamlin Parent-Teacher Association was conducted last Thursday evening in the Primary School cafeteria. Mrs. Starr Inzer, the new president, was in charge of the meeting.

The program opened with a prayer by Rev. Donald Wellman, pastor of the Church of the Nazarene. Mrs. Inzer presented Fred B. Moore Jr., president of the school board, who in turn introduced Foster Cook, new superintendent of Hamlin Schools.

After a brief talk by Mr. Cook, all the teachers and members of the school board were introduced.

At the close of the meeting in behalf of the Parent-Teacher Association, Junior High School Principal Marvin Carlton presented a past president's pin to Mrs. J. C. Turner Jr. in recognition of her services as P-TA president for 1954-55.

The hospitality committee was in charge of the social hour, with Mrs. George Poe as chairman of the group.

Next meeting of the P-TA will be October 6 at 3:45 p. m. in the Primary School cafeteria.

It is true that women make a dollar go farther. They will drive clear across town to spend it.

## Colored Films Taken In Holy Land Shown At Baptist TU Social

Colored pictures made by W. C. Russell in the Holy Land on the recent trip to Europe and the Near East were featured for the evening's entertainment when members and guests of the older adult Training Union of the First Baptist Church met Thursday evening in the home of Mr. and Mrs. W. L. Boyd in a social session.

Russell and Mr. Boyd gave a running narrative of the spots visited by them and Mrs. Russell as the pictures were shown.

New officers for the ensuing church year were installed, and group captains divided membership of the union for the coming period.

Home-made ice cream and cake were served to about 25 attendees.

## Baptist Girls' Class Stages Coke Party

Members of the 16-year-old girls' Sunday School Class of the First Baptist Church met Tuesday afternoon in the home of Mrs. Cecil Sellers for a coke party and business session.

Officers elected for the year ahead were: Beverly Meeks, president; Renee Moore, vice president; Jo Goodman, secretary; Gwendolyn Brown and Eva Wallace, group captains.

The class plans to try this year to reach the requirements for a standard graded Sunday School class.

Members of the class are Gayle Bishop, Gwendolyn Brown, Joyce Hines, Delores Decker, Beverly Meeks, Jo Goodman, Renee Moore, Sandra Stuart and Eva Wallace. Mrs. Cecil Sellers is the teacher.

Ann Cochran, daughter of Mr. and Mrs. J. D. Cochran of Hamlin, has been named area chairman of the state's degree committee of the Area IV Future Homemakers of America.

Ann, Mrs. Joe Carter and Mrs. Jimmy Simmons went to Stephenville last Saturday to attend an area FHA executive council meeting. Purpose of the meeting was to plan business for the area for the year and the annual area session.

Mrs. Joe Carter and Evelyn Boon of Graham are co-sponsors of the state's degrees committee. Mrs. Simmons is area counselor at large.

## Bunny Glenn and Jimmy McElyea Wed In Simple Wedding at Tuxedo Home

Bunny Glenn, daughter of Mr. and Mrs. H. D. Glenn of Tuxedo community east of Hamlin, became the bride of Jimmy McElyea of Sylvester Saturday a week ago at the home of the bride's parents. Young McElyea is the son of Mr. and Mrs. Clay McElyea of Sylvester.

Rev. E. H. Phillips of Wolforth read the double ring ceremony.

Mrs. Bill Glenn, sister-in-law of the bride, was matron-of-honor, and Robert McElyea served as his brother's best man.

Given in marriage by her father, the bride wore a white shantung street length dress with low scalloped neckline and cap sleeves. Her shoes were blue. The good luck penny, which she wore in her shoe, is over 100 years old, and had been used through the years by various brides of the McElyea family.

The bride would have been a senior in Hamlin High School this year. Young McElyea was a 1953

graduate of McCaulley High School.

Following a brief honeymoon trip to Carlsbad, New Mexico, the newlyweds are living at 710 Chestnut Street in Abilene.

## Reception Given After Glenn-McElyea Rites

Following the Glenn-McElyea wedding on September 10, a reception was held in the home of the bride's parents, Mr. and Mrs. H. D. Glenn, at Tuxedo.

Table was laid with a lace cloth over pink, with a white and pink bouquet flanked by white candles as the centerpiece.

Approximately 65 persons attended the wedding and reception. Relatives and friends were present from Wooster, Ohio; Abilene, Trent, Breckenridge, Sylvester, Graham, Lueders, Old Glory, Hamlin, Stamford and Tuxedo.

## Colorizer Paint

Use Colorizer Paint—it's so easy to apply;  
A lovelier finish, and is quick to dry.  
With such a beautiful finish, all to adore,  
Makes me wonder why I had not used it long before!

1322 beautiful colors in all finishes you'll see—  
And more lovely colors there can never be.  
Use Colorizer Paint—it's odorless, it's alkylid and just for you;  
You'd certainly be proud you used Colorizer, too.

More choice of colors cannot be found  
In all of Texas, or anywhere 'round.

I could have made a rhyme  
Had I thought in time;  
And I'm just about as much a poet  
As a sheep is a goat!

BE WISER . . . USE COLORIZER!

## Let's take a walk around the NEW '56 FORD!

1. We'd like to show you some of the things that make the Ford one of America's finest cars . . . though it's one of the lowest-priced. Let's start with these long, low lines. Looks like it hates to stand still, doesn't it?

2. Here, on your left, is the inspiration for the styling of the '56 Ford—the famous Ford Thunderbird. Look at those broad, flat hoods, for example. Here is styling that will stay in style.

3. Here's what you ride on. This frame has five cross-members including a special K-bar member up front. It can really take it! By the way, the control arms of Ford's Ball-Joint Front Suspension are angle-mounted to cushion out the head-on as well as the up-down shock of bumps.

4. The new 202-h.p. Thunderbird Y-8 will give you a new lease on driving enjoyment. It's available in Fordomatic Fairlane and Station Wagon models. You can have the "GO"-packed 176-h.p. Y-8 in Fordomatic Mainline and Customline models, or Ford's new 137-h.p. Six is available in any model.

5. Note the deep-center design of this new Lifeguard steering wheel. The wheel rim is over three inches above the post to help cushion the driver in case of an accident. It's a feature of new Lifeguard Design which Ford spent over two years developing . . . to give you added protection in case of an accident.

6. This Lifeguard cushioning for instrument panel and sun visors is optional. It gives you extra protection when thrown forward in an accident. You may also have optional seat belts to help keep occupants securely in seats.

7. Here's Ford's new Lifeguard door latch. It is another member of Ford's new Lifeguard family. A double-grip locking engagement reduces the chance of doors springing open under unusual strain of impact. Chances of serious injury in accidents are less when passengers remain in the car.

Well, that covers the important points. But there's a lot more. So we'd like to invite you to come in and see the new '56 Ford for yourself. Then you'll see the colorful new exteriors and interiors, the quality workmanship that is evident everywhere. Then you'll learn the full story. When you do, you'll know that Ford is the fine car at half the fine car price.

## Hamlin FFA Group Elects New Officers

New officers were elected several days ago by the Hamlin High School chapter of Future Farmers of America. There are 62 boys taking vocational agriculture this year so far.

The new officers are: Dennis Johnson, president; Paige Baize, vice president; Ken Hewett, secretary; Ronny Parker, reporter; Steve Reynolds, sentinel; Lavere Wilson, treasurer; Don Adair, Don, GALT; and Elmer Rhoton, GAW.

Advisors of the group are T. C. Blankinship and Harold Eades.

Sentiment is very far removed from foolish sentimentality. The latter is weakening in its effect, while the cultivation of true sentiment means mental power and moral efficiency.—Mary Kimball Morgan.

## Pipers Expected to Continue Winning Skein Against Roby

### Lions Have Lost Three Games So Far This Season

After tasting a little of that victory sop last Friday night, Coach Truman Nix's Hamlin High School Pipers are destined to continue their skein tonight when they take on the Class A Lion gridders from Roby High School.

The game will get underway at 8:00 o'clock on the Piper stadium.

Hamlin won its game last weekend over the Post Antelopes, after having their dampers turned down in their first two starts by strong teams from Winters and Haskell.

Roby has not won a game in three starts, having lost to Rule, Rotan and Hermleigh so far.

However, the game will not be a push-over for the Pipers, it is promised by a hard-fighting Lion aggregation that has always put up a good scrap against the Pipers in previous years.

Starting line-up of the Nixmen will be about the same as in last week's game against Post, it is announced.

### McCaulley Eagles Win Over Ira Bulldogs to Continue Victories

McCaulley High School's high-flying six-man football team continued their winning ways last Thursday night by taking their third straight win. The Eagles trounced the Ira Bulldogs by an 18 to 13 score in the tilt played at the Southwest Scurry County school.

Julius Decker accounted for the first touchdown on a 60-yard punt return about the middle of the first quarter. In the second frame Neal Woods racked up another tally on a 20-yard pass from Decker. In the third quarter the Eagles took an Ira fumble and David Milner raced 24 yards for pay dirt.

In two desperate tries in the fourth quarter the Bulldogs went over with two pass plays to score touchdowns in the last three minutes of the game.

The Eagles were to continue their schedule Thursday night in a tilt against Divide on the Roby gridiron. Coach C. W. Yarbrough says his boys are in good shape.

### Mighty Mice to Play Rotan Juniors Tuesday

Hamlin Junior High School's Mighty Mice football squad goes to Rotan next Tuesday night for their third game of the season against the junior Yellowhammers. Game time will be 7:00 o'clock under the lights.

Rotan is tied with Albany in the conference lead. Each has two victories against no defeats.

### DISTRICT 4-AA STANDINGS

Hamlin's Pied Pipers climbed out of the cellar in standings of District 4-AA football teams last weekend with a victory over the Post Antelopes. The remainder of the standings remained about the same as before, with Stamford retaining its stainless slate with a third win and Colorado City also holding to its perfect score while passing up its second scheduled game on account of the polo scare.

After the week-end's tilts, the ratings look something like this:

Team	P	W	L	Pct
Stamford	3	3	0	1.000
Colorado City	1	1	0	1.000
Hamlin	3	1	2	.333
Rotan	3	1	2	.333
Anson	3	0	3	.000

#### Last Week's Results.

Stamford 20, Sweetwater 7.  
Ballinger 18, Anson 6.  
Hamlin 13, Post 6.  
Cisco 20, Rotan 12.

#### Where They Play Friday.

Roby at Hamlin  
Anson at Albany  
Stephenville at Stamford.  
Colorado City at Monahans.  
Winters at Rotan.

### Hamlin Junior High Squad at Bottom of Conference Standing

Hamlin Junior High School's Mighty Mice are at the bottom of the heap in the five-member Junior High School athletic conference, following this week's games.

After this week's melees, the standings look like this:

Team	P	W	L	Pct
Rotan	2	2	0	1.000
Albany	2	2	0	1.000
Merkel	3	1	2	.333
Anson	2	0	1	.250
Hamlin	3	0	3	.000

#### Results September 20.

Merkel 19, Hamlin 13.  
Rotan 32, Anson 14.  
Albany open.

#### Results September 27.

Albany 12, Merkel 6.  
Anson 6, Hamlin 6.

#### Where They Play October 4

Anson at Albany.  
Hamlin at Rotan.  
Merkel, open.

### Carl Young Jr. Named As Squad Leader of Hardin-Simmons Unit

Recently appointed cadet private first class in the Hardin-Simmons University Reserve Officers Training Corps is Carl Travis Young Jr. of Hamlin. The appointment was announced this week by H-SU professor of military science and tactics, Lieutenant Colonel Howard H. Burd.

In cooperation with the Department of the Army, Hardin-Simmons operates a unit of the Army Reserve Officers' Training Corps, offering a general military curriculum without reference to any one arm or technical branch of service. Awards are presented each spring to the best drilled campus company, platoon and individual cadet during the annual ROTC Field Day ceremonies at the university.

Cadet Young has been given the official duties of assistant squad leader in the corps of cadets. He is the son of Mr. and Mrs. Carl T. Young Sr. of 527 West Lake Drive in Hamlin.

### Junior High B Squad To Play at Aspermont

The Mighty Mice B team of Hamlin Junior High School go to Aspermont to play the Hornets next Monday night at 7:30.

This game was postponed from Monday of this week because of water on the football field at Aspermont.

## Mighty Mice and Anson Cubs Fight To 6-6 Tie Tuesday

Hamlin Junior High School's Mighty Mice remained in the cellar spot of the five-team conference after Tuesday night's tilt with Anson. The juniors and the Anson Cubs fought to a 6 to 6 stand-off on the Hamlin gridiron.

Hamlin took the opening kickoff and powered the ball down to the one-yard line before Anson held. A moment later the Anson quarterback crossed up the Mice by tossing a pass from his own goal line to his right end, who caught the ball on the 20-yard stripe and outran the Hamlin secondary for the 80 yards for the Anson tally. Try for extra point failed.

The second quarter saw the Mighty Mice come back to tie up the game. Billy Hallmark led his charges back into Anson territory. Ken Prewit climaxed the drive by rounding left end for 25 yards and a touchdown. Try for extra point failed.

The second half saw the Mice drive inside the Anson 10-yard space only to lose the ball on a fumble. Most of the yardage was gained on a pass from Billy Hallmark to Ken Prewit. Anson drove to Hamlin's 25 late in the fourth quarter. This drive came to a halt when Prewit intercepted an Anson pass.

Outstanding on defense for the Mighty Mice were Sam Mack Hodges, Tommy Bonds and Tobe Shields. Billy Hallmark, Arlon Baize and Ken Prewit looked good on offense.

### Fans Urged to Treat Officials Courteously

"Hamlin Schools are responsible for the conduct of the fans at all of our football games," declared Foster Cook, superintendent of schools, as he urged fans to be courteous to officials during the games.

"Officials of our games are the guests of our school, and any bad conduct of our fans toward them will or could disqualify our school from the Interscholastic League. So be sure to show courtesy to our officials."

If you had flea-power you could jump over a 90-story building.

**LION DINES IN STYLE**—Blondie, the social lioness of Graham, enjoys four large raw steaks as the guest of honor at a Fort Worth hotel, as her owner, Charles E. Hipp, looks on. Blondie stopped over in Fort Worth on her way to New York City, where she will appear on a national televised program.

### Hobbs and McCaulley Top District Standings

Hobbs and McCaulley six-man football teams are on the top of the heap in the District 13 standings with three victories so far this season. Because of unreported games, The Herald is unable to give complete standings.

The five teams in the district are Hobbs, McCaulley, Blackwell, Ira and Divide.

#### NOT MUCH CHANGE.

"Has Meyer changed much in the years he has been away?"  
"No, but he thinks he has."  
"How so?"  
"Why, he is always talking about what a fool he used to be."

## Grid Teams of District 4-AA Hold Own In Week-End Games with Wins-Losses

Teams in the District 4-AA grid circuit held their own last weekend as they continued their pre-season sessions with non-conference foes. While Colorado City continued to remain idle as result of a polo scare, the other four teams won two and lost two of their tilts.

Ballinger High School's tough Bearcats downed Anson Tigers in a Friday night game at Anson by an 18 to 6 score. Anson got off to an early first quarter lead on a hand-off from Jimmy Roberts to Fullback A. H. Roberts, who skirted left end for three yards. Ballinger tied the count in the first quarter after recovering an Anson fumble and Charles Hallaway scored. The Bearcats tallied again in the second on another Hallaway line play. Dwayne Patterson intercepted a Tiger pass and ran 40 yards for the third marker. The game was fumble-filled.

Cisco's Lobos, racking up only six first downs to Rotan's 14, took a 20 to 12 decision over the Rotan Yellowhammers Friday night at Cisco. Long runs of 94 and 89 yards by Tommy Reynolds and 60 yards by Benji Lipsey accounted for the Cisco touchdowns. As another odd quirk of the game, the Lobos lost the ball seven times on fumbles to the Yellowhammers, who lacked the punch in the pinches. Rotan scored its lone marker in the third period on a pass to Waddell. Rotan connected with six of 25 aerial tries for gains totaling 177 yards. Stamford's cruising and bruising Bulldogs continued their winning ways Friday night as they invaded AAA Sweetwater and downed the Mustangs with a 20 to 7 beating. Superior football tactics were responsible for the Stamford victory, as they rolled up 20 first downs and 298 yards on the ground to 11 first downs and 189 yards running for the Nolan County lads.

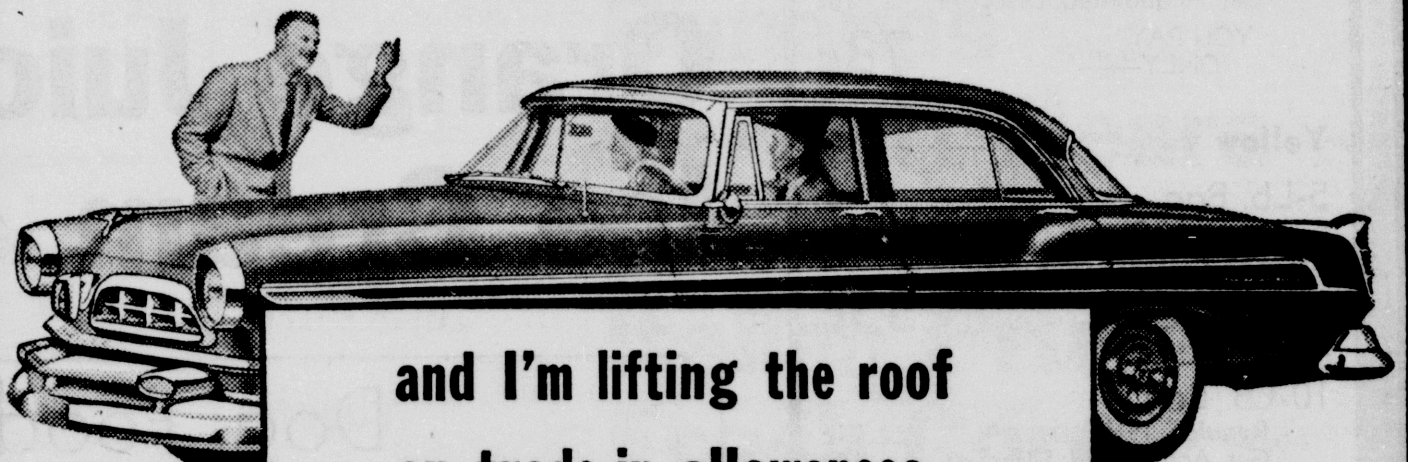

After a two-game drouth, the Hamlin Pied Pipers trounced a hefty Post Antelope team on the local grid Friday night to the tune of 13 to 6. Post scored first in the third quarter on a Murray to Jenkins pass after the two crews see-sawed up and down the field during the first half. Hamlin waited until the final period to take the tilt with two markers. The first was on a pass from Adair to Ford that was good for 45 yards, and Jenkins booted the extra point. Kenneth Parker turned in the second score on a quarterback sneak from the one-foot spot.
